## Harpers Young People.

AN ILLUSTRATED WEEKLY.

The position of HARPER'S YOUNG PEOPLE as the leading weekly periodical for young readers is well established. The publishers spare no pains to provide the best and most attractive reading and illustrations. The serial and short stories have strong dramatic interest, while they are wholly free from whatever is pernicious or vulgarly sensational: the papers on natural history and science, travel, and the facts of life, are by writers whose names give the best assurance of accuracy and value. Illustrated papers on athletic sports, games, and pastimes give full information on these subjects. There is nothing cheap about it but its price.

An epitome of everything that is attractive and desirable in juvenile literature.—BOSTON COURIER.

A weekly feast of good things to the boys and girls in every family which it visits.—BROOKLYN UNION.

It is wonderful in its wealth of pictures, information, and interest.—CHRISTIAN ADVOCATE, N. Y.
